2016 Dinosaur JS

——

Sponsorship Prospectus.

June 24, 2016

Denver, Colorado

Tell me about it?

Dinosaur JS is a non-profit, community-driven JavaScript conference happening in Denver, Colorado on Friday, June 24, 2016. One day. One track. With a partnership you will be supporting Denver's first JS conference. Your contribution will directly impact an initiative to strengthen Colorado's economy and bringing stronger software developers into our community.
